Hello everyone! I'm [Becky](#) from [Patchwork Posse](#). Today I am going to show you how to sew up the Turkey Tracks Lap Quilt Top. I love quilts....especially lap sized ones. They don't take as long to sew up, are great for gifts, and are handy to have around the house for a quick snuggle and use.

Great for any time or season. Bright colors and prints would also work great. Just make sure that your dark and medium fabrics are contrasting enough- so the blocks stand out and don't get lost. This quilt is a bit tricky, but I will show you a quick piecing technique for the flying geese to speed up your construction time.

Ingredients:
