Valentine Mug Rug

I'm thrilled and honored to be sharing a fun little mug rug tutorial I made especially for you, for Valentines Day! **{This tutorial is from 2011, but it's such a popular little mug rug, I thought I'd re-post again for you!}**

This little mug rug has a bit of Ric Rac trim to hold a Valentine for that special someone.

And a cute mini ruffle around the edge that reminds me of the Valentines we use to create at school when we were kids. Makes me want to go out and buy a roll of crepe paper.

I love these! I tried to get our email (as you showed how) but you have to load a email program I do not use - is there any other way? I "think" you should see my email -other bloggers do - thanks

I can't get to the page with your FREE pdf pattern on Craftsly. When I click on the "link", it doesn't show up.
